CULTIVAR →	'Grace Hendrick Phillips'	'Compacta'	'Nana'	'Vardar Valley'	Green Mound	'Justin Brouwers'	'Newport Blue'	Green Mountain	'Rotundifolia'	(American)		'Graham Blandy'	'Fastigiata'																				
ZONE →	6-8	6-9	6-8	4-8	4-8	6-8	5-8	4-8	5-8	5-8		6-8	6-8																				
EXPOSURE	Full Sun →																																
	Part Sun →	☀️	☀️	☀️	☀️	☀️	☀️	☀️	☀️	☀️		☀️	☀️																				
	Shade →	●	●	●	●	●	●	●	●	●		●	●																				
COLOR →	light green	med green	chartreuse	blue green	med green	dark green	dark blue/green	med green	shiny dark green			dark green	med green	dark green																			
GROWTH → RATE	slow	slow		medium	medium	medium		fast	fast			fast																					
SPECIAL FEATURES	<p><i>Feathery appearance, prefers shade Weak center can be damaged by snow loads, plant in understory</i></p> <p><i>Small and dense, beautiful specimen plant, good for bonsai</i></p> <p><i>Low habit with great texture great for dwarf hedge or knot garden</i></p>																																
SIZE AT 25 YEARS	<p>The chart illustrates the growth potential of different boxwood cultivars at 25 years. The y-axis represents height in feet from 0 to 10. The x-axis categorizes the plants into five groups based on their natural form: Dwarf, Small, Medium, Large, and Upright. Each group contains one or more cultivars represented by a black silhouette. The size of each silhouette corresponds to its maximum height at 25 years.</p> <table border="1"> <thead> <tr> <th>Form</th> <th>Cultivars</th> <th>Height at 25 Years (approx.)</th> </tr> </thead> <tbody> <tr> <td>Dwarf</td> <td>'Compacta'</td> <td>3'x1.5'</td> </tr> <tr> <td>Small</td> <td>'Nana'</td> <td>3'x1.5'</td> </tr> <tr> <td>Medium</td> <td>'Vardar Valley'</td> <td>4'x2'</td> </tr> <tr> <td>Large</td> <td>'Rotundifolia'</td> <td>5'x8'</td> </tr> <tr> <td>Upright</td> <td>'Fastigiata'</td> <td>8'x10'</td> </tr> </tbody> </table>															Form	Cultivars	Height at 25 Years (approx.)	Dwarf	'Compacta'	3'x1.5'	Small	'Nana'	3'x1.5'	Medium	'Vardar Valley'	4'x2'	Large	'Rotundifolia'	5'x8'	Upright	'Fastigiata'	8'x10'
